Matt, Mathy, Jared and Nichole:

I've attached two documents. One summarizes our overall coordination activities with the Navajo Nation for the GKM response. The second document updates the q and a's that we provided Mathy for last week's committee hearing. We've updated with information from recent information exchanges with the Navajo Nation as well as with information relevant to the written testimony submitted by Dr. Donald Benn, NN EPA director, at last week's committee hearing.

Please let me know if you need additional information or if you have any questions about these two documents.
